John Wiley Sons Inc, United States, 2015. Paperback. Book Condition: New. 1. Auflage. 228 x 164 mm. Language: English . Brand New Book. A self study exam preparatory guide for financial technical analysis certifications Written by the course director and owner of a leading source of live and online courses in trading, technical analysis, and money management, A Handbook of Technical Analysis: The Practitioner s Comprehensive Guide to Technical Analysis is the first financial technical analysis examination preparatory book in the market. It is appropriate for students taking IFTA CFTe Level I and II (US), STA Diploma (UK), Dip TA (Aus), and MTA CMT Level I, II, and III exams in financial technical analysis, as well as for students in undergraduate, graduate, or MBA courses. The book is also an excellent resource for serious traders and technical analysts, and includes a chapter dedicated to advanced money management techniques. This chapter helps complete a student s education and also provides indispensable knowledge for FOREX, bond, stock, futures, CFD, and option traders. * Learn the definitions, concepts, application, integration, and execution of technical-based trading tools and approaches * Integrate innovative techniques for pinpointing and handling market reversals * Understand trading mechanisms and advanced money management techniques * Examine the weaknesses of popular technical approaches and find more effective solutions The book allows readers to test their current knowledge and then check their learning with end-of-chapter test questions that span essays, multiple choice, and chart-based annotation exercises. This handbook is an essential resource for students, instructors, and practitioners in the field. Alongside the handbook, the author will also publish two full exam preparatory workbooks and a bonus online QA Test bank built around the most popular professional examinations in financial technical analysis.
