Fast readers, go ahead and dig for that happy(?) ending. The Ice Trader starts this intensely suspenseful and suspensefully intense tale deep in the past of our galaxy where the species were all benevolent. Then an outside force entered and destroyed the peace of the entire galaxy. Thousands of years later, one female alien is left upon Earth. Sickened by Earth's viruses, germs and diseases, she struggles against all odds to finish her assignment: to prepare Earth for her kind to invade this blue planet for the sake of its abundant water. She and her friend, who died about a decade earlier, had taken many Earth people captive and made them icy meals. However, at the time the ability of the two was not enough to allow the upcoming invasion force to un-terra-form the Earth for their own kind and to make it into a second frigid home world, turning all humans into icy delicacies for the to trade with other species of the galaxy. Tom Andrews, the...
