This type of publication is almost everything and helped me looking forward and much more. I am quite late in start reading this one, but better then never. You wont really feel monotony at whenever you want of your own time (that's what catalogs are for relating to if you ask me).

Scripture Union Publishing, United Kingdom, 2015. Novelty book. Condition: New. Language: N/A. Brand New Book. A new book to add to the successful Bauble Book series, telling the Christmas story from another perspective. Simeon Anna s Christmas retells the Christmas story from Simeon and Anna s point of view. Bauble books make excellent stocking fillers and/or giveaways for churches looking to share the Christmas story with children in their community. Herod s Christmas retells the Christmas from Herod s point of view. The beautiful artwork makes it an attractive Christmas tree bauble as well as a great read for children under 8. The book comes with a thread to hang it on a Christmas tree and is part of an 8 book series (the whole collection looks very attractive on the tree!). The story is age appropriate for under-8s and sticks closely to the Bible in its retelling. It is ideal for use with all children, but is good to introduce the real Christmas story to those with little or no church background.
