APPLIED HOMOEOPATHY: OR SPECIFIC RESTORATIVE MEDICINE (CLASSIC REPRINT)

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from Applied Homoeopathy: Or Specific Restorative Medicine On reviewing the medical facts which have come under my notice in my practice during the past twenty-six years, I am led to two conclusions: - First as to the nature of disease, that it is always a negative state, as Dr. T. K. Chambers and others have shown; a condition of debility; and, secondly, that specific restorative stimulation is the true indication for its cure. I use the word specific because drug stimulation, and indeed all medicinal stimulation should be directed specifically to the weakened and debilitated tract, part, or organ, and should stimulate it alone, leaving such tracts, parts, or organs as are already in a state of proper tension or tone untouched, and without medicinal perturbation. I use the term restorative because the aim of the stimulation is not to exalt the tract, part, or function to a state beyond the healthy standard, but merely to such a point as shall restore the healthy balance. Specific Restorative Stimulation has little in common with the ordinary practice of vinous or alcoholic stimulation, by which the whole body, as well that part which is healthy, as that which is weak, is too often excited beyond the health point, and suffers subsequently from a corresponding depression. Still it would include general stimulation of a moderate kind when general depression called for it. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books.
