

Unguarded: My Autobiography (Paperback)

Filesize: 5.5 MB

Reviews

This book may be worth buying. I have read and i am confident that i am going to planning to go through once more once again in the future. Its been written in an exceptionally easy way and it is simply soon after i finished reading this publication in which actually altered me, modify the way i believe.

(Faye Shanahan)

Little, Brown Book Group, United Kingdom, 2017. Paperback. Condition: New. Language: English . Brand New Book. Jonathan Trott was England s rock during one of the most successful periods in the team s history - he scored a century on debut to clinch the Ashes in 2009, and cemented his position as their pivotal batsman up to and beyond the team s ascendancy to the number 1 ranked test team in 2011. Yet shortly after reaching those heights, he started to crumble, and famously left the 2012-13 Ashes tour of Australia suffering from a stress related illness. His story is the story of Team England - it encompasses the life-cycle of a team that started out united by ambition, went on to achieve some of the greatest days in the team s history but then, bodies and minds broken, fell apart amid acrimony. Having seen all of this from the inside, Jonathan s autobiography takes readers to the heart of the England dressing room, and to the heart of what it is to be a professional sportsman. Not only does it provide a unique perspective on a remarkably successful period in English cricket and its subsequent reversal, it also offers a fascinating insight into the rewards and risks faced as a sportsman carrying the hope and expectation of a team and a nation. And it s a salutary tale of the dangers pressure can bring in any walk of life, and the perils of piling unrealistic expecations on yourself.
