

Quantum Medicine: A Guide to the New Medicine of the 21st Century (Hardback)

By Jr. Paul Yanick

Basic Health Publications, United States, 2004. Hardback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Worldwide pollution of all kinds is increasing at an explosive rate. This is a guide for anyone concerned about immune and hormonal health and longevity. It introduces readers of all ages to how they can achieve maximum health and longevity by using nutrient-rich quantum foods that aid natural detoxification processes and support the body's own hormone production. The author covers how to detoxify the body, lose weight and keep it off, enhance immunity against viruses and bacteria and improve sexual performance.

Reviews

It is great and fantastic. Better than never, though I am quite late in starting reading this one. It has been written in an extremely simple way and is particularly only right after I finished reading this ebook where it actually changed me, affected the way I really believe.

-- **Orin Blick**

This pdf is indeed gripping and exciting. It was written quite completely and valuable. Once you begin to read the book, it is extremely difficult to leave it before concluding.
