## BOOK REVIEW: MISSING YOU (PAPERBACK)

To read **Book Review: Missing You (Paperback)** eBook, please refer to the web link below and download the document or have accessibility to other information that are highly relevant to BOOK REVIEW: MISSING YOU (PAPERBACK) book.

Createspace, United States, 2014. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. WARNING: This is not the actual book Missing You by Harlan Coben. Do not buy this Review if you are looking for a full copy of this great book. This review details which readers will ultimately enjoy this novel, which is virtually everyone. The face of Jeff Raynes is staring back at Kat Donovan. She contacts him and is surprised by his response. He fails to even remember her at first, then remembers, showing only modest affection. As detailed in this review, the twists that ensue are among the reasons for the success of Missing You. If that wasn't strange enough, a Connecticut college student asks for Kat's assistance in finding his mother, who has mysteriously gone missing. On top of that, he asked for Kat in particular. How does he even know her? Need more? Kat visits the contract killer who is rotting away in prison for murdering her father, a man who is now denying his involvement. Who can Kat trust? The twists in Missing You are literally stacked on top of one another, which creates a pulsating ride for Coben fans. Not that the author needs help, but this review also details an alternative outcome that might have added even more miles to this thrill ride. In Harlan Coben's Missing You, nearly 20 years after being kicked to the curb unceremoniously by an old fiance, an NYPD detective runs into that very man on a dating site, leading to a reawakening, a realization, and ultimately, the deaths of several people.
