Createspace Independent Publishing Platform, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Password Keeper Book - Gone are the days of one simple password that enables you to log and everything on your computer these days. Thanks to advancements in technology. It is imperative to have individual passwords for each individual aspect of your digital life, and while these passwords definitely help to keep your personal information safe. It can be rather difficult to remember them all, particularly if you have to use complex passwords filled with algorithms, symbols and functional characters. If you have difficulty remembering all of your passwords for various membership websites, social media outlets and email accounts, but you don't want to write them down on a piece of scrap paper or a Post-it note and risk the wrong person seeing them than the electronic password memory vault is just what you've been looking for. This 150 page notebook is filled with crisp clean pages specifically designed to hold all of your passwords and other electronic identification information in special organizing slots with alphabetical tags to make each specific password that much easier to find. With this handy little notebook you will never again have to worry about forgetting a password to your favorite shopping website or whether or not you are entering the right password for the right email account. Everything will be right there at your fingertips. Not only will all of your passwords and other identification information be defined, but it will also be safe and secure because it will have a discrete front cover that will make it look like any other notebook or journal because the best place to hide anything important is in plain sight. This handy little journal is...
