Reviews

It is fantastic and great. It is written in easy words and phrases instead of confusing. I am just delighted to explain how this is actually the best book I have ever read through during my individual life and might be the finest publication for ever.

Brand New Book ***** Print on Demand *****.Excerpt from Proceedings and Report of Special War Department Board on Courts-Martial and Their Procedure: July 17, 1919 And if courts-martial have, as the chief purpose of their existence, the nice exemplification of technical rules of law. this basic change is logical. But if the real purpose of the court-martial is to enable commanders to insure discipline in their forces, it may be questioned if this end will be better served by taking the working of this agency out of the hands of those who, as soldiers, know much of discipline and something of military law, and putting it into the hands of those who as lawyers know much of law but little of soldiering, or of the discipline indispensable to successful soldiering. It may be useful at this point to consider the real nature of command with special reference to the fundamental doctrine that the constitutional authority of the President as Commander in Chief can not be abridged by Congress in the exercise of its power to make rules for the government of our armies. Does the authority or right to command presuppose the existence of the organized Army machine fit and ready to carry out the word of command but brought into being, trained and maintained in fit condition for its work by agencies independent of him in whom command is vested? Does command imply only that the commander may express his will for the use of the force to that force, and that the latter thereupon legally bound to carry out the order? Or, does command embrace and imply, and has it always embraced and implied, not merely the right to direct...
