ZONDERVAN, United States, 2016. DVD video. Condition: New. Language: English . Brand New Book. The Christian church has a long tradition of systematic theology, that is, studying theology and doctrine organized around categories such as the Word of God, redemption, and Jesus Christ. Together with the textbook *Systematic Theology*, Wayne Grudem's *Systematic Theology Video Lectures* provides an accessible introduction to biblical doctrine. These lectures feature: A strong emphasis on the scriptural basis for each doctrine Clear teaching, with technical terms kept to a minimum A contemporary approach, treating subjects of special interest to the church today A friendly tone, appealing to the emotions and the spirit as well as the intellect Frequent application to life *Systematic Theology Video Lectures* feature the author's expert teaching through every chapter in the textbook and are an ideal resource for traditional students, students in distance and online-learning courses, and self-learners, wanting to better understand Christian theology.
