Energion Publications, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. What one believes about God shapes how one worships, prays, thinks, and lives. Dr. Bruce Epperly, who provided a very short introduction to process theology in *Process Theology: Embracing Adventure with God*, now provides a short and succinct guide to spiritual practices for those who want to embrace and live the adventurous spiritual life. From times of worship, to prayer, to solitude, and even to study, he provides a guide to living with a God who is deeply and intimately involved in our lives. Holiness and spirituality are not about being other-worldly. Rather, they are about being even more in the here and now than any of us may have thought possible.
