

Play Analysis: A Casebook on Modern Western Drama (Paperback)

Filesize: 6.45 MB

Reviews

This is basically the finest publication i actually have go through till now. We have read and i also am confident that i am going to likely to read through again once more in the foreseeable future. It is extremely difficult to leave it before concluding, once you begin to read the book.

(Prof. Adell Lubowitz)

PLAY ANALYSIS: A CASEBOOK ON MODERN WESTERN DRAMA (PAPERBACK)

Sense Publishers, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Play Analysis: A Casebook on Modern Western Drama is a combined play-analysis textbook and course companion that contains twelve essays on major dramas from the modern European and American theaters: among them, Ghosts, The Ghost Sonata, The Doctor s Dilemma, A Man s a Man, The Homecoming, The Hairy Ape, The Front Page, Of Mice and Men, Our Town, The Glass Menagerie, and Death of a Salesman. Supplementing these essays are a Step-by-Step Approach to Play Analysis, a Glossary of Dramatic Terms, Study Guides, Topics for Writing and Discussion, and bibliographies. Written with college students in mind (and possibly also advanced high school students), these critical essays cover some of the central plays treated in courses on modern Euro-American drama and will provide students with practical models to help them improve their own writing and analytical skills. The author is a close reader committed to a detailed yet objective examination of the structure, style, imagery, and language of a play. Moreover, he is concerned chiefly with dramatic analysis that can be of benefit not only to playreaders and theatergoers, but also to directors, designers, and even actors-that is, with analysis of character, action, dialogue, and setting that can be translated into concepts for theatrical production, or that can at least provide the kind of understanding of a play with which a theater practitioner could fruitfully quarrel.
