Indeed, schoolchildren are still taught about the revolutionary exploits of Florence Nightingale, the war nurse who is often credited as the founder of modern nursing. As The Times wrote of Nightingale, She is a ministering angel without any exaggeration in these hospitals, and as her slender form glides quietly along each corridor, every poor fellow s face softens with gratitude at the sight of her. When all the medical officers have retired for the night and silence and darkness have settled down upon those miles of prostrate sick, she may be observed alone, with a little lamp in her hand, making her solitary rounds. Florence Nightingale first came to prominence during the Crimean War in the middle of the 19th century when she helped organize efforts to treat wounded soldiers, and the image of her doing rounds among those she treated at night became extremely popular in Europe, but her efforts extended far beyond the scope of battle. In time, she came to found the first secular nursing school, at St Thomas Hospital in London, and with that she began to transform nursing into an actual profession. Perhaps not surprisingly, in conjunction with nursing,...
