Palibrio. Paperback. Condition: New. 164 pages. Dimensions: 8.5in. x 5.5in. x 0.4in. We are all interested in knowing who we are and the purpose of our lives. Our healing gives us the opportunity to understand ourselves better and therefore achieve better health. When we take more responsibility for our healing, we can expand more our levels of knowledge and welfare. During the journey you will take upon reading my book, you will find the opportunity to share with me my sincere wishes to find a better welfare for ourselves, as human beings, and the universe in general. I was born in Surata, Colombia. I finished my medical studies at the medical school of the Universidad del Valle and University Hospital in Cali, Colombia; the Lutheran Medical Center in Cleveland; and the Charity Hospital of New Orleans, Tulane Division, where I did my specialization in obstetrics and gynecology. Through my human experience, I have been in different places and at different times, but in the deepest core of my being, there has always been a need for a better relationship with myself and with my outer world. I have always wanted to vividly live more consciously, my knowledge and my experience of holistic medicine as integral as a hologram. My relationship with nature, my sports, among others, and the need to live in a family that is increasingly healthier physically, mentally, emotionally, and spiritually as well have been the key drivers of my enigmas and dilemmas in finding my self healing. Let us create more hope. This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Paperback.
