Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.They Call Me Mzee: One Man s Safari into Brightest Africa is a remarkable, first-hand story of discovery, charting the social, cultural, and spiritual life of present-day Uganda, East Africa through the eyes of an intrepid and insightful narrator. This unexpected and inspiring account unfolds as part memoir and part travelogue, as American author Lee B. Mulder revisits his journey from a pew in a Presbyterian church in metropolitan Chicago to thriving urban centers and remote village outposts located in the heart of equatorial Africa. Starting with his first meeting with the visiting Rev. Dr. Ben Tumuheirwe following church services one Sunday, and taking off with his eventual departure for Kampala in 2003, Mulder offers a colorful and engaging introduction and orientation to Uganda, recounted through anecdotes, interviews, and personal observations. Accompanying his informative and edifying portrait of this one African nation, rich with nuance in its presentation of historical, sociological, and political details, is an uplifting and moving, often humorous personal testament to a place and a culture where people seem to need faith in their lives in the same way they need air, food, and water. Over the course of successive visits and mission trips, Mulder develops a keen perspective on the challenges and opportunities facing Uganda and by extension many other African states and developing nations around the world. In conversations with notable public figures and civic leaders ranging from U.S. Ambassador Jimmy Kolker to Governor of the Bank of Uganda Emmanuel Tumusimwe-Mutebile, and including an audience with His Excellency, the President of Uganda Yoweri Kaguta Museveni, the author learns about the major issues this emerging democracy has faced in its short history. These accounts...
