Lulu.com, United Kingdom, 2014. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.This book is the story of how God moved in the life of one couple from before we even knew Him to bring us to a place where we look back and know that He profoundly affected our life and marriage and our kids. This book is intended to inspire husbands to live out the scriptural mandate to love your wives like Christ loved the church, He gave Himself up for it. There is room in every husband's life for improvement. If you don't agree, ask your wife and I'm pretty sure you'll get another opinion. If you do want to try to improve your relationship with your wife, you'll find truths and principles described which will make sense to you. It is one thing to see a truth and know that it's important but it is something else again to apply that truth to your life in a meaningful way that actually affects and changes you. My hope is that this book will be one of the instruments that God will use to strengthen your marriage and take you on a ride that will bring you enjoyment, happiness, and satisfaction.
