

Singapore: Unlikely Power (Hardback)

Filesize: 9.14 MB

Reviews

It is one of my personal favorite books. It is written in easy terms and never hard to understand. It has been designed in an exceedingly easy way and it is only after I finished reading this publication that I changed the way I think.
(Lucinda Stiedemann)

Oxford University Press Inc, United States, 2017. Hardback. Condition: New. Language: English . Brand New Book. When Lee Kuan Yew died recently, the world media turned its attention to the nation he led for decades: Singapore. Lee Kuan Yew s revolutionary transformation of Singapore from a poor and corrupt colonial backwater into an economic powerhouse renowned for its wealth, order, and rectitude is one of the great-and most surprising-stories of modern era. In *Singapore: Unlikely Power*, John Perry provides an evenhanded and authoritative history of the island nation that ranges from its Malay origins to the present day. Blessed with a natural deepwater port that is shielded by mountain ranges from oceanic storms and which sits along one of the most strategic straits in the world, Singapore has served as a major shipping entrepot throughout modern history. The first great naval power to exploit the island s strategic location was China, and during the fourteenth and fifteenth centuries thousands of Chinese emigrated to Singapore. The most famous colonizer, though, was Britain, which ruled Singapore until the 1960s except for when the Japanese occupied it during World War Two. From the early nineteenth century onward, Singapore was a vital node in the global economy, which relied on oceanic shipping and the protection of the British Navy. Perry covers all of this before turning to the era of independence, which began in the 1960s. Plagued with the usual assortment of ills that former colonies in the tropics suffered from-corruption, inequality, lack of an educated population-Singapore improbably vaulted from essentially third-world status into a first world dynamo over the course of three decades. In the process, longtime leader Lee Kuan Yew did many things that other post-colonial leaders shunned. He embraced the colonial past, established close ties with its World War Two tormentor...
