EVEN THE TREES KNOW THEIR ABC S (PAPERBACK)

Wendy Starkey, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. This book was designed to present another place and activity for children and their families to begin reading. Outside is where education comes alive. Spacial intelligence can be validated here in this poem as we locate symbols that unlock a new world of reading. A connection can be made between nature and language when our inmagination and play is united. Each picture will show the aphabet formed by trees. It is creative and surprising to find each letter. Children will start to apply this concept and find letters all over their world.
