Organization for Economic Co-operation and Development (OECD), France, 2009. Paperback. Book Condition: New. 2009 ed.. 267 x 198 mm. Language: English Brand New Book ***** Print on Demand *****.Voici le blurb: The African Economic Outlook 2009 reviews the recent economic situation and predicts the short-term evolution of 47 African countries which account for 99 of the continent s economic output and 97 of its population. The Outlook is drawn from a country-by-country analysis based on a unique analytical design. This common framework includes a forecasting exercise for the current and the two following years, using a simple macroeconomic model, together with an analysis of the social and political context. This Overview contains a comparative synthesis of African country prospects, placing the evolution of African economies in the world economic context. It also includes a section on innovation and information and communication technologies (ICTs) in Africa, presenting a comprehensive review of their proliferation and use on the African continent, as well as a statistical annex. A URL is provided for linking to the full-length country notes. Table of contents in English Executive Summary PART ONE: OVERVIEW PART TWO: INNOVATION AND ICT IN AFRICA PART THREE: STATISTICAL ANNEX.
