Epubli. Taschenbuch. Condition: Neu. Neuware - I have been coach, mentor and consultant to numerous directors, managers and their employees since 1992. Over the years, I have written and selected several articles about the subject of business. Some, of these writings I have put together for this book. They reflect the business world as it is; crazy, funny, serious, pathetic, frustrating and sometimes a reflection of ourselves or the people who influence our thinking and behaviour. We spend at least two thirds of our lives in the working world and unfortunately one third trying to catch up on the years we have missed. A sad thought to say the least but perhaps this little book will give you some answers to all those 'whirling' questions in your head. FACTS ABOUT TOP CORPORATE LEADERS .and do we need psychopaths for company survival Psychopaths are drawn to and thrive in roles where people need theWhat is a Psychopath Psychopaths are social predators who charm, manipulate and ruthlessly plow their way through life, leaving a broad trail of broken hearts, shattered expectations without the slightest sense of guilt or regret. Their bewildered victims desperately ask, 'Who are these people ' 92 pp. Englisch.
