Three Men on the Way Way: A Story of Walking the West Highland Way (Paperback)

By Hamish M. Brown

Whittles Publishing, United Kingdom, 2013. Paperback. Condition: New. Language: English . Brand New Book. The West Highland Way is Scotland s first official Long Distance Route and runs near 100 miles from Milngavie to Fort William. It was nicknamed the Way Way by a trio from Fife who set off to walk it in the year of the Millennium. This is not a guidebook but an account of their experiences, the highs and lows which any challenge presents of their marvellous, surprising, amusing and weird memories. They met many hundreds of people along the way but, naturally, those they recall were the more eccentric. Although the trio never managed another bigger trip together they realize how lucky, and wise, they had been to grab the chance when it came. There is remarkably pleasant rural walking at the start to reach the Highlands at Loch Lomond, fine woodland on its banks and later, the contrast of lonely, empty miles across Rannoch Moor, the Devil s Staircase and the great pass of the Lairig Mor to finish. Encounters with other people are an important part of Long Distance Routes. Anyone who has walked the Way Way (or is planning to do so)...

Reviews

Comprehensive guide for publication lovers. it absolutely was writtern really flawlessly and valuable. You wont really feel monotony at whenever you want of your own time (that's what catalogs are for concerning if you ask me).

-- **Rowan Gerlach II**

The publication is great and fantastic. It really is simplistic but surprises within the 50 % from the publication. Your daily life span will be change when you comprehensive reading this article book.
