This pdf is very gripping and fascinating. We have read and that i am certain that i am going to going to read once more again in the future. Once you begin to read the book, it is extremely difficult to leave it before concluding.

To give but one example, the celebrated Maxim as to the misfortunes of our friends, was omitted in the last edition of the book, published in Rochefoucaulds life-time, yet in every English edition this Maxim appears in the body of the work. M. Aim Martin in 1827 published an edition of the Maxims and Reflections which has ever since been the standard text of Rochefoucauld in France. The Maxims are printed from the edition of 1678, the last published during the authors life, and the last which received his corrections. To this edition were added two Supplements; the first containing the Maxims which had appeared in the editions of 1665, 1666, and 1675, and...
