By James Allen

Createspace Independent Publishing Platform, 2006. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. As a Man Thinketh is a literary essay by James Allen, published in 1903. It was described by Allen as . . . dealing with the power of thought, and particularly with the use and application of thought to happy and beautiful issues. Allen has tried to make the book simple, so that all can easily grasp and follow its teaching, and put into practice the methods which it advises. It shows how, in his own thought-world, each man holds the key to every condition, good or bad, that enters into his life, and that, by working patiently and intelligently upon his thoughts, he may remake his life, and transform his circumstances. It was also described by Allen as A book that will help you to help yourself, A pocket companion for thoughtful people, and A book on the power and right application of thought.
