What followed was a magical journey through nature that was both more satisfying and more difficult than she ever imagined. This book contains all the blisters, sweat, and tears from that life-changing journey. More than just a walking travelogue or memoirs of a walking holiday, this book contains Holly s reflections on walking the Way, including lessons learned and practical information to help you plan your South Downs Way hiking adventure. It includes a suggested packing list, gear recommendations, and other useful tips, such as when to walk the Way, where to stay, and how much you ll need to budget. This book will not only get you inspired to walk the South Downs Way or another long distance trail, it will encourage you to get outdoors more often.
