Muddy Pearl, United Kingdom, 2014. Paperback. Condition: New. UK ed.. Language: English . Brand New Book. More pubs, clubs and bars per square mile than almost anywhere else in Europe. Hundreds of thousands of young people, intent on having the best holiday possible. The beautiful island of Ibiza is often derided for the shocking scenes of excess, violence and incapacity that inevitably result. 24-7 Prayer took up the invitation, God's call to go to the party island and pray. So Brian and Tracy Heasley went. For seven years, they walked and prayed around the walls of the San Antonio. And most nights, joined by young volunteers, they walked through the town, chatting to clubbers and offering prayer. Thousands said yes. Some knelt, some put their hands together, some shared deep worries and concerns. They helped people home, looked after those in danger of being robbed, and befriended all kinds of people, from bar owners to prostitutes. The familiar T-shirts of 24-7 Ibiza came to be regarded as a fourth emergency service. Brian and Tracy's story will inspire you to pray and show God's love for your own community as you seek to express the gospel in whatever situation he has placed you.
