## DON T CHASE THE QUAFFLE IF YOU SEE THE SNITCH!: BLANK INPIRATIONAL JOURNAL (PAPERBACK)

Createspace Independent Publishing Platform, 2017. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.This book is perfect for friends and relatives who are experiencing the many challenging transitions of life, those who need to be reminded that anything that looks too good to be true, usually is, and that anything worth having is worth the time and effort it takes to get it, including students, graduates, those employed and unemployed, husbands and wives, retirees, and athletes. We are reminded that when the fragmenting effects of pressure and stress seem relentless, we set achievable goals, persevere and maintain a purpose in spite of the difficulty, even when we don t know if we will triumph. The interior pages alternate between lined and blank - with no text at all. Not only does it make a great coffee table book and conversational piece, but its pages can be used as a diary of milestones, a record of special memories, a place for random sketches and diagrams, a very long bucket list, a notebook for tips and tricks, or all of the above. Make the gift even more special by writing a note or two of your own and tucking a little cash or a gift certificate into the folds. \*\* Bulk orders of 25 or more are available at a discount directly from the publisher, Write Run Books, for corporate offerings, special event gifts, party favors for groups, conference and convention hand-outs, promotional items, and charitable giveaways. On the BACK COVER: The game of Quidditch is a creation of author, J.K. Rowling, and is featured in the Harry Potter series. The quote is in reference to the game of Quidditch, in which a Quaffle is worth 10 points, but the fast moving, hard to see Snitch is...
