Characterization of Pakistan Wheat varieties for durable  
Resistance against stripe rust using molecular marker  

Condition: New. Publisher/Verlag: LAP Lambert Academic Publishing | Characterization of Pakistan Wheat varieties for Durable Resistance against stripe rust using molecular marker | Stripe rust is an important foliar disease of Wheat in different wheat growing areas in Pakistan. Different protective measures such as fungicides, cultural or agronomic practices do not ensure long- lasting control. Genetic resistance is preferred over other strategies. Of the genetic resistance, durable resistance (race-nonspecific) is considered a sustainable measure globally. Our study included seedling testing, field evaluation,...

### Reviews

*This book is really gripping and intriguing. It is written in easy words and never confusing. You can expect to like the way the blogger created this pdf.*

-- **Summer Jacobson**

*It is one of the most popular books. I am quite late in starting to read this one, but better than never. Once you begin to read the book, it is extremely difficult to leave it before concluding.*

-- **Camille Larson**
