## FINANCIALLY SECURE FOREVER: THE SEASONS OF ADVICE SOLUTION (PAPERBACK)

Hca Consulting, United States, 2013. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Financially SECURE Forever is an extraordinary wake-up call for anyone with assets that they want to both protect and grow significantly, providing them the lifestyle they want and deserve, for themselves and their families. A dozen years ago Charles Hamowy and Christopher Conigliaro became fascinated by the science of neuroeconomics, a new and highly promising approach to the neurobiology of decision making. Using this knowledge in their own arena of financial planning and wealth management, they put together their own unique approach by creating a more brain-friendly process for building and maintaining wealth called the Seasons of Advice(R) process. This process creates a road map for decision making and a time frame for which to do it. The time frame aligns with each of the four seasons of the year breaking down a sometimes overwhelming process into manageable and repeatable decisions. This results in creating time and process to make stress-free plans for a secure future. This process has been used successfully with their clients for over a decade now. As the authors explain with concrete examples, real-life stories (and even some self-tests) understanding how the brain works with regard to personal investment strategies, tolerance for risk, spending habits, saving for goals, ensuring estates plans protect their loved ones, and other money matters make both an emotional and financial difference. This book is a step by step roadmap to help readers understand how we make financial decisions, and how, knowing that, we can comfortably put ourselves on the road to living the life we choose, for now and forever.
