

Doctors Who Killed

By Rj Parker

Createspace Independent Publishing Platform, United States, 2012. Paperback. Book Condition: New. 198 x 122 mm. Language: English . Brand New Book ***** Print on Demand *****.This book captures the stories of five doctors who have killed their patients, including, Harold Shipman, Marcel Petiot, Michael Swango, H.H. Holmes, and John Bodkin Adams. It is amazing that these people chose a profession to help save lives, but preferred to kill. Is it not their job to curtail suffering and death? We sometimes put our lives in the hands of doctors, trusting that our best interests are the most important to them. Thankfully, there are only a handful of doctors who have been inclined to murder their patients, and they do not represent the millions of doctors who genuinely care and uphold their oath. Doctors Who Killed by R.J. Parker is a comprehensive, detailed dossier of the vile and malicious nature of a small percentage of the medical profession who has killed, intentionally. The pictures and layout make this book a treat. You can relate the info and place it to a face. Also, the author s genuine take on the acts, bring a human feeling to the psychological acts behind the murderer...
