Reviews

It is great and fantastic. Better than ever, though I am quite late in starting to read this one. It has been written in an extremely simple way and is particularly only right after I finished reading this ebook where it actually changed me, affected the way I really believe.

From stories about a willow who falls in love with a human to an old samurai who kills himself so his beloved tree can live, Japanese folklore venerates trees. Beyond the sakura, the famous cherry tree, Japanese farmers told stories about the trees that welcomed them home and supported every aspect of their lives. Trees not only support our lives by providing building materials, food, and warmth, but they also teach us how to be human.
