ENCHANTING BEAUTY: ANCIENT SECRETS TO INNER, OUTER AND LASTING BEAUTY

Motilal Banarsidass, 2016. Soft cover. Condition: New. 1st Edition. The concept of lasting beauty was developed out of the need for women to practice prevention and anti-aging strategies as soon as they possibly could! In author's opinion women who have plenty of resources to buy organic food, go to yoga classes, exercise at a nice gym and learn meditation, but nevertheless, they fail to do these things, if she does not proactively take care of herself in her younger years, then as she ages, her beauty will not endure. Enchanting Beauty discusses the important role of beauty in Ayurveda, India's traditional natural healing system, for both health and happiness. It offers many practical tools and insights to enhance natural beauty and inner well-being.
