The Tao Te Ching, along with the Zhuangzi, is a fundamental text for both philosophical and religious Taoism, and strongly influenced other schools, such as Legalism, Confucianism, and Chinese Buddhism, which when first introduced into China was largely interpreted through the use of Daoist words and concepts. Many Chinese artists, including poets, painters, calligraphers, and even gardeners, have used the Tao Te Ching as a source of inspiration. Its influence has also spread widely outside East Asia, and it is among the most translated works in world literature. The Tao Te Ching has been translated into Western languages over 250 times, mostly to English, German, and French. According to Holmes Welch, It is a famous puzzle which everyone would like to feel he had solved. The first known English translation of the Tao Te Ching was produced in 1868 by a Scottish Protestant missionary named John Chalmers, entitled The Speculations on Metaphysics, Polity and Morality of The Old Philosopher Lau Tszé. Other notable English translations of the Tao Te Ching are those produced by Chinese scholars and teachers: a 1948...
