

The Complete Garden

By Albert D. Taylor

Morrison Press. Paperback. Condition: New. 544 pages. Dimensions: 8.5in. x 5.5in. x 1.2in. The author has for some time felt that there was needed in the landscape field, especially by the amateur gardener, a book of this type. He has believed that such a book would be of value to everyone who is interested in the important work of landscape plantings, not only to the amateur but to the expert gardener and to the property owner who has made an exhaustive study of plant uses and plant adaptations. One of the reasons for the publication of these planting lists for different purposes is that it provides a permanent record for future reference. There is no good reason why a landscape architect thoroughly familiar, as a result of years of experience, study, and observation, with the use of plants should devote his time and thought to the compilation of lists of plants for different purposes, such as wild gardens, spring gardens, rock gardens, and bog gardens in connection with some specific problem only to have each list of material cease to exist for the use of others, as soon as the work in question is completed. Plant lists compiled by capable landscape architects...
