There s a war going on out there in this corrupt and dark world that we call home and we re caught in the middle of it. Not because we have to be or need to be, but because we want to be a part of it. So Project Bubble comes to mind. We need it so that we can take the world by surprise and hold it up like Atlas - save it from the corruption and manage it from here on to the end. Terra is a world where corporations establish armies and declare war on each other. It is a place which has succumbed to greed and its citizen must fall in line with this reality or fall victim to the wrath of the corporate world. In the midst of this is Dr. Daniel Grey, a physicist who wants more out of life. He takes a job through a friend working for the Band Corp; the leading Corporation on Terra. He is to be one of the lead scientists on Project Bubble and given a chance to do research some only dream about. However, Daniel realizes he is unbelievably out of his depth. His boss, Mr. Elmwood Jones, is the head of Band Corp and obsessed with changing the world. However, Mr. Elmwood Jones is not remotely what he seems to be. He is Ellam, Emperor of the Dominatia, a race of brutal inter-dimensional despots. Project Bubble is the latest incarnation of a saga of oppression and bloodshed which has spanned whole worlds, annihilated species and lead across dimensions. Daniel cannot even begin to fathom what lies ahead. His creation, the fruit of Project Bubble, a...
