This item is printed on demand - Print on Demand Neuware - Master's Thesis from the year 2011 in the subject Business economics - Marketing, Corporate Communication, CRM, Market Research, Social Media, grade: A, The University of Liverpool, language: English, abstract: Marketing has always been one of the most crucial and critical functions in organizations for last several decades. Since several years, organizations have been depending on various marketing methods to promote products, services and brands. As time passes, the types of marketing strategies that are considered for have changed. Techniques that were used in 1950s shall not be helpful for organizations that operate in today's environment. In the same way, techniques that are currently used in today's environment shall not be useful after 50 to 60 years (Kotler and Keller, 2012). Unless marketing activities are planned based on present market conditions, it is not possible for organizations to reach wide-range of customers that spread across the world. As there are no boundaries in the target markets of most of the organizations, organizations have to use the combination of both traditional and online marketing methods. While traditional marketing methods...
