Xulon Press, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Traci the Post Office just called and said your sister is having a breakdown. These were the words my Mother said to me when she called me that day five years ago. When I heard these words, I had no idea at the time what this would mean for my sister and our entire family. My youngest sister would eventually be diagnosed with bipolar disorder and her refusal to accept the diagnosis would lead her to the edge of madness. From Shattered to Redeemed is the book of one sister's fight of faith to help bring her sister back from a mind shattered with mental illness. Read and see how God brought her out of the darkness of mental illness into His marvelous light of healing. Traci Bradford-Walker is a first time author and heard God tell her one March day in 2014 that it was time to write the book. She has a Master's and Doctorate Degree from Aspen Christian College and is a Minister at Emmanuel Christian Center. Traci has been married for thirteen wonderful years and lives in Denver, Colorado with her husband. She and her sister Gabby remain very close and it was with her sister's permission that she was able to write her story.
