CASCADE BOOKS, United States, 2015. Paperback. Book Condition: New. 228 x 154 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.What comes after reflective listening? What comes after the ministry of presence? Spiritual midwifery is a powerful framework for offering pastoral care in today's fast-paced environment. Midwifery offers ways of thinking about those who are served, the work itself, and what it means to be a clinical caregiver within the tradition of the care of souls. Spiritual midwifery has philosophical and spiritual roots that stem from the earliest seeds of Western thought, even back to Jesus and Socrates. Readers will find an inductive approach toward a conceptual model that offers insight for richer assessments and outcome-oriented goals of care. Part One sets out the metaphors of the midwife and the dialogue. Part Two unpacks the methodology behind the mechanics. Part Three looks at creative applications of midwifery, and is followed by a Symposium patterned after Plato's own Symposium. A rigorous theory remains at the center of the work, but the tone is poetically balanced enough to invite the transformation of the spiritual caregiver. From the philosophy of Heraclitus to the theology of Kierkegaard to the spiritual direction of Guenther, *The Art of Spiritual Midwifery* brings forth a comprehensive conception of pastoral care and its delivery. This amazing book . . . gives voice to articles of faith that belong to all positive transformative endeavors related to humans: spiritual, educational, parental, aesthetic, imaginative, ethical, societal, and more. Faller's conceptualization of midwifery goes deep without invoking a transfer of knowledge, but rather the skillful facilitation of the individual's own journey toward embracing meaning. --Charla Hayden, Vice President, A. K. Rice Institute for the Study of Social Systems, Portland, OR  
Stephen Faller's new book ....
