Temple s expertise was representing individuals who had chosen to place themselves in the path of history or who were victims of discrimination and injustice.These legal war stories will give readers a realistic view of what a civil rights lawyer faced in championing unpopular causes. -- Publishers Weekly Praise for Ralph J. Temple: What a master of the law he is! I know people whom I regard as great teachers, as great trial advocates, as great appellate advocates, as great lobbyists, as great negotiators. Ralph is all of those things, and he does each of them better than anyone I know.He has an absolutely extraordinary record, not just of effort, but of solid accomplishment. --Monroe H. Freedman Of the many persons I came to admire during my years with the ACLU, I put none ahead of Ralph. He personifies the virtues that the ACLU displays at its best: a fierce commitment to civil liberty; imagination, energy, skill, and industry; integrity; persuasiveness; and a fine blend of irascibility, good humor, and anger. Ralph is moderate but never mealy-mouthed; passionate but never hysterical; moral but never pious. --Aryeh Neier, Former Executive Director, ACLU For a lot of people coming out of law school looking for public interest jobs, there are a relative handful of people in this country who are heroes, models to be followed, people who are known among young lawyers and who are admired for the example they set. I think Ralph deserves that reputation as much as anyone I know. --Ira Glasser, Former Executive Director, ACLU It isn t just that Ralph has a passionate concern to see that civil liberties are protected. I have that and so do...
