TEA PARTY TALK

Townhall Press, United States, 2012. Paperback. Book Condition: New. 226 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Ever found yourself with your back against a wall, trying to disengage yourself from a one-sided debate with one of your liberal acquaintances? How many times have you been irrefutably right on a matter and yet unable to convince the other person? Tired of being shot down in arguments by your slightly to the left friends? If so, this book will teach, empower and equip you to win these discussions and, at the same time, not lose your friends. In fact, you could even convert some of them. Sound impossible? He fought efforts to weaken California s criminal laws and successfully fought to reinstate the death penalty, to crack down on child molesters and drug dealers. He defeated a sitting Supreme Court Chief Justice and two Associate Justices who were soft on crime. o spread the word,...
