THE BRIDE OF CHRIST: A STUDY IN CHRISTIAN LEGEND LORE (PAPERBACK)

DOWNLOAD

Createspace Independent Publishing Platform, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. The legend of St. Catharine, the bride of Christ, though once very popular, is almost forgotten now. The Puritan spirit, so powerful among Protestants, which wants religion pure and simple, without romance and sometimes even without the adornment of art, has affected even Roman Catholics, and yet the legend is full of charm and is apt to prove fascinating even to the unbeliever. Though the legend is neglected, the idea of a bride of Christ still lives even in Protestant hymns, where following the precedent of St. Paul and the traditions of the mystics, the bride represents either the church or the soul. The story of the bride of Christ possesses an additional interest to the student of religion who is able to trace its history and compare it with its pagan prototypes. This is done in the present book and it is done with an appreciation of the religious sentiment that produced the legend and inspired innumerable artists to give a worthy presentation of this conception of ideal womanhood. Dr. Carus, in his numerous writings, is fond of running parallels between Christian and pagan legends and symbols; and he is busy in that sense in this exquisite work. The splendid reproductions of ancient statuary and decorations, and of the old masters pictures, are truly delightful. -The Coming Day, London. Do not lose sight of Dr. Paul Carus. Through devious and yet delightful ways he leads us, always illuminating the path by means of the most charming illustrations, and he brings us to rest at last in a thankful contemplation of the peace which the mystical love of Christ was able to bring to the devout saints of the...
