Createspace Independent Publishing Platform, United States, 2013. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Hats off to the Irish of Limerick! They invented the form of the limerick. Such spontaneous rhyme served well to kill time or to warm up for love in a hayrick. A limerick s so easy to tweak, one can scribble a hundred a week. But these rhymes, to be true, just have to be blue, so to publish them really takes cheek. In these poems do I touch every base? Or just create for myself a red face? Well, it s not a grand art, Though I write from the heart. And I ll let you be the judge of my case. In sum, for laughs, buy this book.
