This work presents the promise of complete life- transformation. If you choose to accept this update, you will be guided through the steps necessary to move from Version 1. 0 to Version 2. 0 of your self. This update process begins with the decision to let the master-programmer of your life install a whole new spiritual operating system in you. The update, and the upgrade process is totalongoingand powerful. At the end of each short chapter you will find a series of questions designed to help you think through and talk about what youre reading.
