Midnight Ink, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book. Nora Abbott risks her career at Loving Earth Trust on a film project to convince Congress to expand the Canyonlands National Park. But someone is desperate to keep the secrets of the land hidden. When her best friend and director of the film is found dead, Nora is convinced it wasn't an accident. Nora's Hopi kachina messenger has vanished and now it looks as though Cole Huntsman, the man she's finally allowed herself to love, has left her, too. As Nora uncovers an unlikely intersection of ancient Hopi legends, a secret polygamist sect, and one of the world's richest men, she is drawn deeper into danger. Her mother's surprising past holds the key to the clash of cultures, but will Nora put all the pieces together in time to prevent disaster? Set in the iconic red rocks of Moab, Utah, Nora races to discover what really lies beyond the stars.
