Brand New Book ***** Print on Demand *****.Excerpt from The Nile Tributaries of Abyssinia: And the Sword Hunters of the Hamran Arabs It would at first sight appear that, the discovery of the lake sources of the Nile had completely solved the mystery of ages, and that the fertility of Egypt depended upon the rainfall of the equator concentrated in the lakes Victoria and Albert; but the exploration of the Nile tributaries of Abyssinia divides the Nile system into two proportions, and unravels the entire mystery of the river, by assigning to each its due share in ministering to the prosperity of Egypt. The lake-sources of Central Africa support the life of Egypt, by supplying a stream, throughout all seasons, that has sufficient volume to support the exhaustion of evaporation and absorption; but this stream, if unaided, could never overflow its banks, and Egypt, thus deprived of the annual inundation, would simply exist, and cultivation would be confined to the close vicinity of the river. The inundation, which by its annual deposit of mud has actually created the Delta of Lower Egypt, upon the...
