

Joseph s Temple: The Dynamic Relationship between Freemasonry and Mormonism (Hardback)

Filesize: 5.33 MB

Reviews

A must buy book if you need to adding benefit. It really is writter in straightforward words and not difficult to understand. I am just pleased to let you know that here is the best ebook i have got read through in my individual daily life and may be he best book for ever.
(Prof. Charles Boehm)

JOSEPH S TEMPLE: THE DYNAMIC RELATIONSHIP BETWEEN FREEMASONRY AND MORMONISM (HARDBACK)

[DOWNLOAD](#)

University of Utah Press,U.S., United States, 2014. Hardback. Condition: New. New. Language: English . Brand New Book. The apparent parallels between Mormon ritual and doctrine and those of Freemasonry have long been recognised. That Joseph Smith, Brigham Young, and other early church leaders were Masons, at least for a time, is common knowledge. Yet while early historians of the LDS Church openly acknowledged this connection, the question of influence was later dismissed and almost became taboo among faithful church members. Just as Mormons have tried to downplay any ties to Freemasonry, Masons have sought to distance themselves from Mormonism. In Joseph s Temples, Michael Homer reveals how deeply the currents of Freemasonry and Mormonism entwined in the early nineteenth century. He goes on to lay out the declining course of relations between the two movements, until a detente in recent years. There are indications that Freemasonry was a pervasive foundational element in Mormonism and that its rituals and origin legends influenced not just the secret ceremonies of the LDS temples but also such important matters as the organisation of the Mormon priesthood, the foundation of the women s Relief Society, the introduction and concealment of polygamy, and the church s position on African Americans full membership. Freemasonry was also an important facet of Mormons relations with broader American society. The two movements intertwined within a historical context of early American intellectual, social, and religious ferment, which influenced each of them and in varying times and situations placed them either in the current or against the flow of mainstream American culture and politics. Joseph s Temples provides a comprehensive examination of a dynamic relationship and makes a significant contribution to the history of Mormonism, Freemasonry, and their places in American history.
