Createspace Independent Publishing Platform, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. From Jules Verne s Journey to the Center of the Earth to Rudy Rucker s The Hollow Earth, subterranean worlds have been a source of both fascination and fear for the literary imagination, and The Coming Race is no exception. An evolutionary fantasy first published in 1871, the story draws upon ideas of Darwinism to describe a near-future world characterized by female dominance, physical perfection, and vast technological progress. The novel was extremely popular in its time and is now considered seminal science fiction text by contemporary scholars. Edward George Earle Lytton Bulwer-Lytton, 1st Baron Lytton PC was an English novelist, poet, playwright, and politician. He was immensely popular with the reading public and wrote a stream of bestselling novels which earned him a considerable fortune. He coined the phrases the great unwashed, pursuit of the almighty dollar, the pen is mightier than the sword, dweller on the threshold, as well as the infamous opening line It was a dark and stormy night. Bulwer-Lytton s wrote in a variety of genres, including historical fiction, mystery, romance, the occult, and science fiction. He financed his extravagant life with a varied and prolific literary output, sometimes publishing anonymously.
