MY SO CALLED PUNK (PAPERBACK)

Saint Martin s Griffin,U.S., United States, 2007. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. When it began, punk was an underground revolution that raged against the mainstream; now punk is the mainstream. Tracing the origins of Grammy-winning icons Green Day and the triumphant resurgence of neo-punk legends Bad Religion through MTV s embrace of pop-punk bands like Yellowcard, music journalist Matt Diehl explores the history of new punk, exposing how this once cult sound became a blockbuster commercial phenomenon. Diehl follows the history and controversy behind neo-punk--from the Offspring s move from a respected indie label to a major, to multi-platinum bands Good Charlotte and Simple Plan s unrepentant commercial success, through the survival of genre iconoclasts the Distillers and the rise of emo superstars like Fall Out Boy. My So-Called Punk picks up where bestselling authors Legs McNeil and Jon Savage left off, conveying how punk went from the Sex Pistol s Anarchy in the U.K. to anarchy in the O.C. via the Warped Tour. Defining the sound of today s punk, telling the stories behind the bands that have brought it to the masses and discussing the volatile tension between the culture s old and new factions, My So-Called Punk is the go-to book for a new generation of punk rock fans.
