THE TECHNOLOGY OF LARGE-SCALE ZINC PRODUCTION IN CHONGQING IN MING AND QING CHINA (PAPERBACK)

British Archaeological Reports, United Kingdom, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.This book presents the analyses, technical interpretation and socio-economic contextualisation of the production remains of zinc distillation from three Ming sites in Fengdu and one Qing site in Shizhu, Chongqing, southwest China. Zinc ore, zinc metal, retorts and slag from these sites were analysed by OM, SEM-EDS, EPMA-WDS and XRD. Following on from a detailed technological reconstruction, some differences were found...

Reviews

This is an awesome publication i have at any time read. Of course, it is play, still an interesting and amazing literature. You will like just how the author write this book.

-- **Prof. Herta Mann**

This is the very best publication we have read through right up until now. It is one of the most incredible book we have read through. Once you begin to read the book, it is extremely difficult to leave it before concluding.

-- **Miss Celia Volkman**
