

The State of Campaign Finance Policy: Recent Developments and Issues for Congress (Paperback)

By Garrett

Createspace, United States, 2014. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Minor and major changes have occurred in campaign finance policy since 2002, when Congress substantially amended campaign finance law via the Bipartisan Campaign Reform Act (BCRA). The Supreme Court's 2010 ruling in *Citizens United v. FEC* and a related lower-court decision, *v. FEC*, arguably represent the most fundamental changes to campaign finance law in decades. *Citizens United* lifted a previous ban on corporate (and union) independent expenditures advocating election or defeat of candidates. *SpeechNow* permitted unlimited contributions to such expenditures and facilitated the advent of super PACs. Although campaign finance policy remains the subject of intense debate and public interest, there have been few legislative or regulatory changes to respond to the 2010 court rulings. This report considers these and other developments in campaign finance policy and comments on areas of potential conflict and consensus.
