Reviews

This ebook may be worth a go through, and superior to other. I could comprehend every thing out of this published e pdf. It is extremely difficult to leave it before concluding, once you begin to read the book.
(Prof. Damien Schuster PhD)

SOFT CITY

Pan Macmillan. Paperback. Book Condition: new. BRAND NEW, Soft City, Jonathan Raban, In the city we can live deliberately: inventing and renewing ourselves, carving out journeys, creating private spaces. But in the city we are also afraid of being alone, clinging to the structures of daily life to ward off the chaos around us. How is it that the noisy, jostling, overwhelming metropolis leaves us at once so energized and so fragile? In "Soft City", one of our most acclaimed novelists and travel writers seeks to find out. First published in the 1970s, his account is a compelling exploration of urban life: a classic in the literature of the city, more relevant to today's overcrowded planet than ever. 'A psychological handbook for urban survival' - "Sunday Telegraph".
